Volunteers are needed to be an additional, regular, contact with some of our mobility challenged members. They are needed to help with regular visitation when Rev. White is on vacation or tied up with significant matters related to his role as an Elder. Volunteers are needed to help our church by being an additional welcoming voice for newcomers and visitors. A brief one hour training will be conducted on Sunday, June 10, between the worship services in The Gathering Place. Please sign up today using the Tear Sheet portion of the bulletin.

## UPCOMING WORSHIP

### Series: "Transitions"

May for many people is a time of transitions. The school year is over, or winding down, for students and teachers. A portion of the student population graduates. June is still among the most popular times for people to get married. People start taking vacations. There are an increased number of home sales as June is a time when many people "pull up stakes" and move. Transitions are a part of life. How we react to them makes all the difference. The book of Samuel describes a time when the Hebrew people underwent a transition, from the leadership of Saul to that of David. It also describes Samuel's transition from that of an inexperienced young person, to that of someone following God's calling. Come see how these transitions of characters in the Holy Bible can help us with our own life transitions.
