A message from the Finance Committee:

After analysis of other UMCs and the companies providing this service, our Finance Committee recommended and Church Council approved FUMC add this opportunity as another means for contributions.

Vanco is the company that the VA UM Conference recommends and is used by most UMCs. There are minimal fees charged by Vanco to FUMC, which donors can elect to add to their donation. Your charitable contribution amount acknowledged by FUMC will include those amounts (in other words, the additional amount is also potentially deductible).
